A most interesting detached villa, together with two separate apartments standing in mature, landscaped gardens totalling approximately 6.000 m2. The accommodation is particularly spacious and versatile. If preferred, the accommodation in the apartments which are below the villa could be incorporated to make one very large property. The villa currently consists of: 4 double bedrooms, Family bathroom and shower room, Large reception hall, Large utility room, with 2 walk in refrigerators, Spacious sitting room, Separate dining room, Well appointed kitchen with appliances, Sun room/breakfast room, 70 m2 terrace. The first apartment comprises: 2 bedrooms, 1 shower room, Open-plan living room/dining room/kitchen. The second apartment includes: 2 double bedrooms, 1 shower room, Sitting room/dining room, Large kitchen. Between the two apartments there is further accommodation comprising a large hall leading to the snooker room and the room with the hot tub and shower together with the cloakroom. The properties are approached by two large driveways, providing sufficient parking for numerous vehicles and these lead to four garages and a workshop. There are several terraces around the property together with an undercover heated swimming pool with lounge area and shower room. There are spectacular views including one aspect which heavily features Mojacar Pueblo.
